Dear I Nengah Lestawi,

Thank you for submitting your manuscript "Identity of Tradition Name in Hindu Marriage in Julah Village, Tejakula Sub-District, Buleleng Regency, Bali" to the Journal Opcion. We have assessed your submission and feel that it has potential for publication. However there were some concerns raised in your manuscript:

1. Discussing Balinese Hindu texts without clearly demonstrating that residents of the village studied embrace the content of these texts is inadequate.
2. One of the reviewers would like to see more material from your interviews with villagers.

Please see the attached reviewer comments for further details about necessary revisions.

You have 4 weeks to respond to this revise and resubmit request ending on April 12, 2019, after wich point we will presume that you have withdrawn your submission from Journal Opcion.

Best regards,
Opcion Editor
